- Once you've browsed the images, return to "Sites and Monuments."
- Click on "Roman Agora and Tower of the Winds."
- Read the brief description, and then browse the image catalogues to view the photographs.

Use what you have learned to answer the following questions:

1. *What purpose did the Agora serve?*

2. *What happened to the Acropolis in 480 B.C.?*

3. *Whose idea was it to rebuild the Acropolis?*

4. *What was the difference between the Roman Agora and the Greek Agora?*

5. *Western architecture was greatly influenced by the Greeks. After browsing the images from Athens, choose one monument and compare and contrast its architecture to that of the buildings in your town.*
