

The Age of Imperialism

Student Presentations

The imperialist powers of the nineteenth century conquered weaker countries and carved up the lands they seized. Their actions had a lasting effect on the world, especially the conquered peoples of Asia and Africa.

With your assigned partner, research, organize, and present key information from the text to the class.

Group 1: Colonial Rule in Southeast Asia.....Vera & Braydan
Group 2: Empire Building in Africa.....Sammy & Adrian
Group 3: British Rule in India.....Emily & Aidan
